Signature: _____
Organic Certifying Body:
_____

Have animals been fed Soy in last 90 days? Y ☐ N ☐
If yes, is this from a sustainable source? Y ☐ N ☐

FCI Declaration

The holding **is not** under movement restriction for bovine Tuberculosis (TB)*

OR

The holding **is** under movement restriction for bovine Tuberculosis (TB)*

*delete one

The cattle on the holding are not under movement restrictions for any other reason (excluding a 6-day standstill).
The animals consigned show no abnormalities, are fit to travel and show an acceptable level of cleanliness and have been observed for all veterinary medicines and other treatments including any medicated feed administered to the animals within the last 28 days.
To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety of the meat derived from them.
No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.
Please select at least 1 of the below options (if more space is needed please use another form):

☐ None of my animals in this delivery have been treated with High Priority Critically Important Antibiotics (as detailed overleaf) to the best of my knowledge
☐ In this delivery of cattle, tag number..... has been treated with…… which falls into these drug categories (as detailed overleaf) to the best of my knowledge.
☐ In this delivery of cattle, tag number..... has been treated with…… which falls into these drug categories (as detailed overleaf) to the best of my knowledge.
☐ In this delivery of cattle, tag number..... has been treated with…… which falls into these drug categories (as detailed overleaf) to the best of my knowledge.
☐ In this delivery of cattle, tag number..... has been treated with…… which falls into these drug categories (as detailed overleaf) to the best of my knowledge.
If animals do not fulfil all the above statements, tick this box and provide additional information overleaf
Additional information required:
☐ I can confirm that none of my animals are cloned animals or their progeny.
☐ Animals have spent time outside and have been fed a grass based diet
